TESTIMONIALS...

"The best thing about Prayer and Action is definitely the people that you meet. Not only the people that you work with, but the people that you are doing the work for." -**Erica, College Team Member**

"I've learned a lot about how to defend my faith. I've been scared about how to live my faith out because I didn't know how to answer other people's questions, but I've been able to do that now." -**Katie, Youth Participant**

"For me, it was one of the best times I spent my vacation days on, plus it was so inexpensive. During the week-long mission, I learned a lot about my faith and made new friends with others who share the same faith. After the mission was over, I went home with an energy I can't explain" -**Mario, Adult Chaperone**

FATHERLY TESTIMONIALS

FATHER WESLEY SCHAWWE

"As a priest, I have been part of many retreats and many mission trips, Prayer and Action is the best of both! It will give your son or daughter the chance to deepen their relationship with the Lord through prayer and through serving Him in others.

"When Mother Theresa would find missionaries from the US coming to India to help her and her sisters in the ministry to the poorest of the poor, she would tell them to go back home and serve the poor there. This is what Prayer and Action does. It gives our high school and college kids the opportunity to serve and to love those here in our communities."

Frequently Asked Questions

"Where do the participants sleep?"

The local parish provides us with the necessary space, usually in the form of classrooms, and students bring sleeping bags, cots, etc.

We eat a simple breakfast after mass, make/pack our sandwiches for lunch at the worksite, and then take turns cooking dinner for each other. All food is provided by Prayer and Action, unless when a local group is kind enough to donate a meal.

"What do the participants eat?"

We team-up with the local school district and the participants utilize the locker room showers.

"Where do the participants shower?"

We seek to help whoever needs a hand via scraping, painting, yard clean-up, etc. These are often dirty jobs, but rewarding.

"Who do you help and how?"

"What does it cost?"

Let's do some math!

Say your parish provides 30 weeks of intentional high school age ministry per year at 1.25 hours each Wednesday night, and your son or daughter attends them all.

37.5 hrs

+

Now let's imagine that your child attends a Prayer and Action mission trip, running Sunday evening to Friday afternoon, being lead by a team of college students.

80 hrs

=

In this case, the \$100 fee would not only cover the food, the supplies, and the super sweet t-shirt, but it would also help the parent/parish in the mission of evangelization by increasing the hours of youth formation by 213.33%!

Parents -

Thank you for letting your child take a week from their busy summer to grow in their faith and serve others. It is our hope that their time here will be enriching, beautiful, and just plain fun!

Pope Saint John Paul II said that, "Jesus does not say 'no' to the authentic demands of the heart, but only a clear, loud 'yes' to life, to love, to freedom, to peace and to hope. With Him no goal is impossible and even a small act of generosity grows and can lead to change."

Gentry Heimerman
Director of Young Adult Ministry
Catholic Diocese of Dodge City

"Let no one ever come to you without leaving better and happier. Be the living expression of God's kindness: kindness in your face, kindness in your eyes, kindness in your smile."— Mother Teresa
